"I cannot remember when I have enjoyed a vacation as much as this one... Your lodge is beautiful and very comfortable. The guides were very professional and put us on the fish. The vacuum sealing of the filets was an added plus!"

"Just about every serious fisherman dreams of fishing Alaska "some day". The Gone Fishin' Lodge not only made that possible for me but gave me the opportunity to fish for all the major game fish of the Kenai Peninsula with first rate guides at a reasonable rate. All I had to do was pack and get on the plane. There is no reason to put off your "Dream trip" to Alaska any Longer!"

"Dick and Ralph knock themselves out to make sure you're matched with the right guides for catching fish the way you most enjoy fishing!"... Gone Fishin' is an understatement--- *Gone on the outing of a lifetime is more like it!* *We'll be back next year!*"

"My experience at the "Gone Fishin' Lodge" was first-rate! The lodge was comfortable with all the amenities. Being able to come back to the lodge and relax while my fish were being vacuum packed and frozen was great. But the best part by far was the fishing & the scenery!"

Gone Fishin' Lodge owner Ralph Crystal and son Derek with one of the many huge Ling Cod caught on the "combo" trip! The Ling Cod fishing this year was on fire!

Mike Saaks of Kenner Louisiana was the winner of the 2007 "Gone Fishin' Lodge" King Salmon derby with this 57 1/2lb. beauty on the "Cajun Invasion" week. It was the biggest King caught at the lodge that year! He wins a free trip!

My experience with you guys is one I will never forget. The fishing was great as well as the lodge accommodations. I especially like the way all of my fishing trips were so well organized."
